Everett's is named after Everett Kircher, the founder of Boyne Resorts. He founded the ski empire that offered technical advances on the slopes shaping the industry. He introduced new methods of ski instruction, adapting some from Austria, along with innovations in artificial snow and in keeping it well groomed. In 1965, turning his core business into an all-seasons operation with golf links, hotels, and trails for hiking. Boyne now operates 13 resorts, 10 ski resorts and 11 golf courses. The company based in Boyne Falls, Michigan owns and operates properties in Michigan, Montana, Washington, Maine, New Hampshire, Tennessee, Utah and British Columbia.
